Candle In The Wind, The Elton John Experience, is a national touring tribute band that honors the music of Elton John and Bernie Taupin, focusing on classic songs while also exploring later works. Jeff Burkett, portraying Sir Elton John, delivers an authentic performance with a striking resemblance. Inspired by Elton's music since age 12 and particularly fond of the "Goodbye Yellow Brick Road" album, Jeff aims to recreate the concert experience so that fans feel as if they have seen Elton live.
