

# PHASE II

Note that any resident with mobility challenges should exercise caution when walking over uneven gravel post-Mill & Grade. No parking or driving for golf carts or cars and no pet-walking is permitted in marked areas on paving days. . Street parking is allowed during these times, and carpooling is recommended to reduce congestion. Winding Trail Gate will be open 5/5-5/15 for Unit 48 optional exit. Clubhouse Dr. will be done in sections for the road to remain open but reduced to one lane causing slower traffic during those days. DV Facility use on May 15 will require parking at Softball Field.
